Certificate IV in Community Services

Locations

Workplace

Mode

Traineeship: On the
job training

Length

24 months

When

This course can start anytime
throughout the calendar year.

Is this course for me?

Community services is a great industry to join if you have a passion for helping others. Person-centred support is needed to assist a range of people in day-to-day tasks.

This certificate will teach you how to listen to and understand people's problems, background and circumstances, and to assist them within the areas they need help, including social, emotional and physical wellbeing. You will also learn to deal with and implement support systems and develop plans which will address your clients' immediate and long term needs, including responding to critical situations including children at risk.

Career Opportunities

Careers that can come from a Greenhouse Education qualification in Community Services include:

- Community development worker
- Family support worker
- Residential care officer
- Intake and referral officer
- Case worker
- Welfare support worker

Entry Requirements

There are no set pre-requisites for this qualification however; you must show:

- A satisfactory level of language and literacy skills, which will be established at the time of enrolment
- A genuine desire to work in the Early Childhood Education and Care profession
- Working With Children Check is a part of the practical requirements and immunisation record may be required
