Is this course for me?

This course is recommended for you if you have aspirations to move into a role where you will be directly caring for children in an Early Childhood Education and Care Setting.

As the foundation qualification for all Childcare Professionals it is an essential stepping stone to a meaningful career for people with a natural affinity and interest in the development and education of young children.

This course encompasses child development, the importance of Educator and family partnerships, and develops a sound knowledge of the major curriculum learning areas. It will provide you with the practical experience and theoretical knowledge required in an Early Childhood Education and Care setting.

Career Opportunities

Careers that can come from a Greenhouse Education qualification in Early Childhood Education include:

- Early Childhood Educator
- Outside School Hours Care Educator
- Play Group Supervisor
- Family Day Care Educator
- Nanny

Entry Requirements

There are no set pre-requisites for this qualification however; you must show:

- A satisfactory level of language and literacy skills, which will be established at the time of enrolment
- A genuine desire to work in the Early Childhood Education and Care profession
- Working With Children Check is a part of the practical requirements and immunisation record may be required

Core Competencies

There are 17 units required to be completed in this qualification; 15 core units and 2 elective units. The course structure is made up of the following:

Core Units
