Is this course for me?

Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations. They use specialised knowledge and analyse and apply theoretical concepts to diverse work situations. They may have responsibility for supervision of volunteers or other educators. Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens.

To achieve this qualification, the individual must have completed a total of least 280 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

Career Opportunities

Careers that can come from a Greenhouse Education qualification in Early Childhood Education and Care include:

- Room leader/Lead educator
- Early Childhood educator
- Assistant or Centre Director
- Family day care educator
- Kindergarten assistant Kindergarten assistant

Entry Requirements

- Hold a CHC30121 Certificate III in Early Childhood Education and Care or CHC30113 Certificate III in Early Childhood Education and Care.
