Is this course for me?

Community Services is a great industry to join if you have a passion for helping others. Person-centred support is needed to assist a range of people in day-to-day tasks.

This certificate will teach you how to listen to and understand people's problems, background and circumstances, and to assist them with the areas they need help with.

You will also learn to deal with and implement support systems and networks, and develop plans which will address your clients immediate and long term needs.

Career Opportunities

Careers that can come from a Greenhouse Education qualification in Community Services include:

- Residential Support Worker
- Community Care Worker
- Community Development Worker
- Welfare Support Worker
- Youth Support Worker
- Juvenile Justice Officer

Entry Requirements

There are no set pre-requisites for this qualification however; you must show:

- A satisfactory level of language and literacy skills, which will be established at the time of enrolment
- A genuine desire to work in the Community Services industry

Core Competencies

There are 12 units required to be completed in this qualification; 5 core units and 7 elective units. The course structure is made up of the following:

Core Units

1. CHCCCS016 - Respond to client needs
